Letter of Reference
RE: Saran Sunny, e2o Health

To Whom it May Concern:

I am pleased to have the opportunity to write a reference letter for Sunny Saran of e2o Health. Sunny and his colleagues are currently in the process of migrating our paper charts into electronic health records utilizing NextGen system. During the month of August they were at our offices providing training to all the Doctors and our staff.

The training we received was very helpful for us to utilize the system. They provided us with both class room training and eLearning. They were very patient and were available to us anytime to help us in learning the system.

We appreciate the dedication, effort and skill with which e2o Health performed the training and implementation at our clinic. Should you have any questions please feel free to contact me.

Sincerely,

Reza Yazdi, MD
